01/24/2021 Date of Birth: **Registration 1:** Ci330329 Sale Price: \$4,000.00 Plain Dirt Farms Owner:

Here is a very fancy female out of one our most productive cows. My personal favorite cow in our herd, Awesome Shiloh, this cow embodies everything a perfect example of a TL female should be. On the top she comes from Happy 9, who is sired by the industry's longest horned bull and longest horned cow. Powerful stuff here folks! Millennium Futurity eligible.
