Here is a very unique bull calf. His mother is a Concealed Weapon daughter that is solid grulla. He is sired by Riverforks Rais'N Cane, one of our main herd sires who is definitely a wild type color carrier. We are retaining this bull in the hopes that someone can use him so we can see this unique "Grulla Brindle" color develop. This young man will be intact and available for a partnership with full possession. Millennium Futurity eligible.
