This brindle beauty checks all of the boxes for us, body, color, horn, fertility, and milking. The genetic cross of Top Caliber, Fifty-Fifty BCB, and Drag Iron have worked well in our herd. Her 2024 heifer is a knock out brindle babe with horns hooking back like crazy! She just delivered a beautiful bull calf sired by DB Iron Sniper. Most of us know his sire Sniper, his dam, Iron On last measured 93.75" and a two time ITLA All Age Female Champion.
