Very promising young bull to watch. Here is a powerhouse of bull power coupled with the phenotype genetics we all must strive to breed for rolled into one package. He is sired by Sweetwater BCB, a Fifty-Fifty BCB son that has an average heifer offspring sales price of over \$13k each. His mother is a beautiful, solid built Concealed Weapon daughter with a boatload of horn that is Grulla colored from the tip of her nose to the tip of her
