

7LS NURSE MAXIE 11

Date of Birth: 04/24/2011 **Registration 1:** CI278388

Breeder: LARRY &/OR MARY ANN LONG

Owner: JOSH & KIT DINWIDDIE

Very productive female. She hits the reproductive target every year, outproducing herself. Her pedigree brings you HCR, Maximus ST, Iron Mike ST, & Freight Train ST on the top side. Her grand dam, (7LS Maxie Miss), is nearly an 80" TTT cow with very lateral horns. Nurse Maxie's horns were frozen way up north, giving her this unique look. We believe she's a wonderful asset to our breeding program, after all, her calves won't mind which

Total Horn: 84.0000 on 11/10/2020 TTT: 43.5000 on 11/26/2022 Composite: 127.2500 on 11/10/2020
