Here is a very special heifer. This breeding starts on top with one of today's industry leading producers, Drag Iron, known to put out horn, color and deep bodied cattle. The bottom side of this mating goes back to April 22, 1988, to a bull named Emperor (Overwhelmer X Rangers Measles). This bull has put out more twist than an Oklahoma Tornado! We can't forget to mention, one of the flashiest bulls of his time! Her dam is a very solid,
